

ANLAGE QTB:

Ready to Use, Tuberculocidal Cleaner

Anlage QTB is a proven one-step tuberculocidal, bactericidal, virucidal cleaner that will transform how easy it is to protect against a variety of viruses and bacteria. It offers effectiveness as a fungicide and mildewstat.

When used as directed, Anlage QTB will remain effective not only in the presence of organic soil, but also in the presence of very hard water.

Anlage QTB is a “ready to use” product that has been evaluated in the presence of 5% serum by the AOAC.

Anlage QTB is the perfect disinfectant for animal care facilities, and can be used to clean walls, countertops, stainless steel surfaces, cabinets, floors, walls, sinks, toilets and urinals. It can also be used to clean, disinfect and deodorize locker rooms, showers, bath areas, dressing rooms and garbage and waste disposal areas.

POWERFUL

Effective against tuberculosis and a variety of bacteria and viruses.

MILDEWSTAT

Anlage QTB is also effective as a fungicide and mildewstat.

READY TO USE

Reduces the time and effort needed by staff

COMPATIBLE

Anlage QTB can be used on a variety of different surfaces.
