COVID-19 Visitation Policy

In response to the global COVID-19 outbreak, Quip Laboratories has enacted measures to help ensure the health and safety of our employees, customers, suppliers, and visitors, as well as their families.

One of the most critical requirements is to minimize the spread of COVID-19 by limiting exposure to potentially infected individuals. It is for this reason that Quip Laboratories is limiting entry into our facility to Quip employees, and ESSENTIAL VISITORS ONLY until further notice.

To prevent the spread of COVID-19 and reduce the potential risk of exposure to our workforce and visitors, Quip Labs requires that only pre-approved essential visitors are granted access, and that you review the guidelines below before entering our facility.

Pre-Approved Essential Visitors Instructions:

Please review the criteria listed below. If you can answer yes to ANY of the following criteria, you are prohibited from entering this Quip Laboratories facility:

1. Have you returned from any countries considered high risk within the last 14 days?
2. Have you been in close contact with anyone who has traveled within the last 6 months to any countries considered high risk according to the CDC/World Health Organization?
3. Have you had close contact with, cared for, someone diagnosed with COVID-19?
4. Have you experienced ANY cold or flu-like symptoms or been within 6 feet of anyone experiencing symptoms including but not limited to fever, cough, sore throat, respiratory illness or difficulty breathing?

IF ANY OF THE CRITERIA ABOVE ARE APPLICABLE TO YOU, DO NOT ENTER THIS FACILITY FOR ANY REASON

We appreciate your cooperation and accommodation as Quip Laboratories does its part to help contain the COVID-19 outbreak.

If you have any questions or concerns about this notice or Quip Laboratories response to the COVID-19 (Coronavirus) outbreak, please reach out via the contact form at quiplabs.com/contact/regional-contact.
